"Still Holding On"

The beauty I see, sweet words people say
Reminders of You each day
Your image is traced in all You designed
Creation whispers Your name
Even through all the pain
Your Spirit still remains
Chorus
I can't see You
But I'm well aware of Your presence
I can't touch You
But I know You're there
I feel You're Spirit of love

You reached down to my world
When will I see Yours?
You've given me just a glimpse
Of what's to come, what there is in store
Overwhelmed with expectant joy
I know there's so much more
Yes, I know there's so much more

Chorus

I'll keep holding on
I'll keep holding on
I'll keep holding on
Till You come back for me
