What would you say if I
Told you that all I've thought about
Is you
Since you been gone
I wish some way, some how
I could turn this world right back around
And mend mistakes I made.

So I could say to you that
I know things aren't quite like what they used to be
Different faces, different places yeah.
We could try, oh yeah we could try.

What would you say if I
Told you that I'm not givin' up
However long it takes
It's clear that things have changed
Since when we started
But we can't just walk away, babe.

So I am telling you
That I know,
Things aren't quite like what they used to be

Different places, different faces yeah
We could try, oh yeah we could try.

I know, things aren't quite like used to be
Different faces, different places, yeah.
We could try, oh yeah we could try.

I know, things aren't quite like what they used to be.
Different faces, different places, yeah
We can try, oh we can try.

I know, things aren't quite like what they used to be.
Different places, different faces, yeah.
We could try, oh yeah, we could try
I know, things aren't quite like what they used to be.
Different places, different faces, yeah.
We could try, oh yeah, we could try
