

Between the Trees "You Give Me Hope"

I look at your smiling face,
You so weak, yet you have such strength,
You take a glance around this place,
You make the best of everything

You give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try

We laugh, we cry
Sometimes we're broken and we don't know why,
I'm tired and I lose my way,
you help me find faith, oOo

You give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try
Just give me another try

You give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try

You give me hope, in spite of everything,
You show me love, even with so much pain
So I'll take this life and live like I was given another try
Just give me another try
Just give me another try
