Precious,
That's the greatest lie I have to listen from your mouth
So go home, because my path is too hard, too
dangerous...
Running to the brightest star, don't think I'll ever stop.

As the days go by, feels like I'm losing myself creating
illusions in my mind.
(Oh!)

You used to be my compass, always showing me the
right way
But now my eyes are open, and I can't see your
kindness
Seems so easy to you leave your promises behind
Are you that weak or are you that heartless?

As the days go by, feels like I'm losing myself creating
illusions in my mind.

Always when I caught myself thinking, I'm thinking of
you
Can't you leave my mind in the same way you leave me
alone?
I'll never ever sleep, I won't pass through this night
God knows I'm trying, but I'm tired of failing.

(Let's go!)

It's hard to fight alone!
