New York, London, Paris, girl, he told you he was outta town,

But your best friend saw him coming out another little cuties house.

Now I dont know why girl you think, he even gives a damn,

Coz he aint really got your back baby, girl he aint no man.

Chorus

A man wont cheat, a man wont lie, a man wont play them games,

Won't be in the club, getting too drunk, coz he knows its all the same.

If a man's got some kids, he knows their his, he's got pride and he aint ashamed

Coz a man wont cheat, a man wont lie and a man wont play them games.

Mondays, Tuesdays, Wednesdays, girl everydays the same,

Secrets, stories, lies - u know he aint gonna change.

Im not hating but im saying, he aint the one for you,

Im trying to make you understand , that girl he aint no man.

Chorus x 3
