I've been swearing a lot lately.  
Ever go through those modes where you just can't help  
but swear  
All the time? Fuck is like the best word ever. It really is.  
It's perfect. It's just FUCK.  
It's cuz it's got the ffff and the uh and the CA!... Fu-ca!  
When somebody finally says Hey Fuck you!, there's  
nothing better.  
I just look at them and I go yeah. Yeah that's right fuck  
me.  
Good use of fuck right there.  
You really gotta emphasize the fff too, right.  
Say fuck, FUCK. You can't- you gotta hit the F. You can't  
go f -UCK.  
Doesn't have the same who-uh-kuk. Can't just hit the K.  
UCK. No.  
This guy, now we got in this little beef, we got in this  
little fight, right.  
And he yelled fuck you. And there's nothing about-  
once somebody  
Hits you with fuck you. That's it. There's nothing better.  
There's nothing about- you can't come back with... Oh?  
Fuck me?  
Yeah uh Gaylord! No, doesn't have the same-.

The he gave me the finger, this dude gave me the  
finger.  
He gave me the best finger I've ever seen.  
You know, sometimes people give you the finger and  
it's sucks.  
They're like  
\*fart\*  
Trick or treat! And you just laugh cuz they don't- no  
form or anything.  
It's just this stump, this little pig... pig hoof. Wee.  
Yeah that's a good one. This dude he fuckin was like  
\*BOOM\*  
He fucking- it was huge! He had like 8 knuckles man.  
It was like a rocket, it went \*SHOOO\*  
It exploded in the sky and a thousand tiny fingers  
rained down on me.
