I had that game Operation, remember that game  
Operation?  
Big naked white guy. He had no pee pee at all.  
He had no.. Bigok, no scrumdidly-umptious.. no cash  
and prizes.  
He was like that guy from Silence of the Lambs,  
remember,  
he tucked it in... "Put the lotion in the basket... Put the  
LOATION  
in the BASKET!!"  
\*guy laughs\*  
"You're laughing 'cause you've done it you freak!  
Your a freak, your a freak!"... I used to do it..  
I used to come out of my girlfriends bathroom naked,  
"Look, I'm just like you."  
I was always afraid that one time she would be like..  
\*WAhhhh\* I'm just like you!" AGH "I'm just like you!  
Shhhhhh." ...  
Monopoly, theres another little game. We had  
Monopoly, everybody had it.  
No one like it, even if you thinkd you liked the game  
you didn't.  
And it's simple why, ok.  
Cause this is anyone here 2 and a half hours into a  
game of Monopoly,  
ready? ...  
\*Booush\* "FUCK THIS GAME! It's 4 in the morning  
grandma, YOU WIN!  
I'm sittin on Baltic with crap! I'm paying luxury tax out  
the ass!  
And I hate when your the banker,  
where did you get the pink 50's you cheating whore!  
Don't fucking touch me grandpa, NANA is a cheating  
whore!  
I should cut you head off with this little doggy!" ...  
"We were so poor growing up, we had to use that iron.  
We had to actually use that little iron. It's not funny.  
It takes a long time to iron a shirt with that little iron...  
"Mmmmm..ooo \*sizzle\* ... oh \*sizzle\* shit hot" ...
