Artist : Dane Cook
Title : Superpowers

I wish I had some superpowers. I was thinking about that the other day.
Maybe quit comedy, fight some crime. Everybody wants to fly. That's the number one power. If I could grant you a power, "Dane, I'd love to fly."
Yeah? Who the fuck doesn't. Who doesn't want to leave the show tonight and be like, "Alright I'll catch you guys later."
Shwwoosh and zip up into the skies. "I can show you the world. Shining, shimmering splendor."

I'd love to shoot a laser out of my cock. And when I'm empty my balls glow.
Low fuel. Balls are empty.

You know what I'd like to be able to do more than anything else? I'd love to be able to shoot spaghetti out of my fingertips.
Pppthhh. 'Cause no one wants to be covered in spaghetti. No. If I'm on a date with a girl and she's very rude I'll be like, you know what? *PPpPtthhh* Enjoy your spaghetti
you're very rude. Enjoy your spaghetti, 'cause you're rude. *PpPtthh*

These are all dreams. These are all things we want to have.
(To man in audience) If I could grant you a power, any power, what would you want? Anything right now? "Dah, Jesus." You want to be Jesus? God you're such an egotistical prick. He thinks he's Jesus. Ah, Jesus. I'd love to cover him with spaghetti right now. *PppPtthh* Enjoy your spaghetti,

you're very egotistical.

Ahhh, Christ. *pause* (to man in audience) Not you.
