Leme' paint a picture fo' ya', of how its meant to be,
She's such a firecracker, the perfect fantasy
Addicted to the pleasure, but committed to the pain,
The chemicals are flowing, like fire in her veins,
The shadows pull you under, the neons kickin' in,
the shots are on the table, here we go again,
the track is gettin' louder, her head up in the colds,
the night has taken overâ€¦

When the lights go outâ€¦
and when you wake up, till when the sun goes
downâ€¦,
and when you wake up, till when the,
Lights go out.

Oh, oh, oo-oooh-oh
Oh, oh, oo-oooh, oh

They say your goin' crazy, and have you lost your
mind?
She's just a troublemaker, she get it all the time
Leme' paint a picture fo' ya', them walls are common'
down
The tensions mounting upâ€¦

When the lights go outâ€¦
and when you wake up, till when the sun goes
downâ€¦,
and when you wake up, till when the,
Lights go out.

Oh, oh, oo-oooh-oh
Oh, oh, oo-oooh, oh
Oh, oh, oo-oooh-oh
Oh, oh, oo-oooh, oh

When the lights are fading,
It's when i'm gona shine,
You had your moment baby,
Just know that ass is mineâ€¦

When the lights go outâ€¦

and when you wake up, till when the sun goes
downâ€¦.,
and when you wake up,
till when the lights go outâ€¦.
and when you wake up, till when the sun goes
downâ€¦.,
and when you wake up, till when the,
Lights go out.

Oh, oh, oo-oo-h-oh
Oh, oh, oo-oo-h, oh
Oh, oh, oo-oo-h-oh
Oh, oh, oo-oo-h, oh
