Always find a million reasons  
To lead your heart astray  
Only by saying somethin'  
If it's really worth sayin'  
Spendin' all your time thinkin'  
When all the while we're sinkin'  
What are you waiting for?

I could have a brighter future  
If I had the time of day  
I could be a bigger man  
If I only walk away  
Spendin' all your time prayin'  
When all the while we're sayin'

Chorus  
What are you waiting for?  
What are you waiting for?  
When you can see the tide rising  
Who are you waiting for?

Well I ain't got all the answers  
But I got the will to change  
To let another week go by  
When every day's the same  
Spendin' all your time thinkin'  
When all the while we're sinkin'

Chorus x2

Wasting time  
With it all weighing on your mind  
Can you not bother me anymore  
What are you waiting for?

Always find a million reasons  
To lead your heart astray  
Only by saying somethin'  
If it's really worth sayin'
