English:

"IÂ'm WaitingÂ"

I was waiting, waiting for a long time
In the dark shadow of grey towers
In the dark shadow of grey towers

In the dark shadow of rain towers
You will see me waiting forever
You will see me waiting forever

One day it will come back
Over the lands, over the seas

The green wind will return

And take back with it my wounded heart

I will be pulled away by its breath
Far away in the stream, wherever it wishes

Wherever it wishes, far away from this world
Between the sea and the stars (more)
