I never saw you up there
Cause you never made a sound
If I knew what you were up to
I would've shot you down
Hey, wouldcha say
I'm on the rebound
Watch me fall
At the speed of sound
Your trigger finger's cocked, and I'm feeling weak
Open wide, I'm paralyzed
You were working on the inside
Disconnecting the alarm
I was messing up your signals
Trying to turn me off
Hey, wouldcha say
I'm on the rebound
Watch me fall
At the speed of sound
Your trigger finger's cocked, and I'm feeling weak
Open wide, I'm paralyzed
Over the hills the frequency's breaking down
Don't wanna guess, but I think it's time we turned
around
I'm soft, but I'll be alright
Soft, yeah, I'll be alright
Soft, yeah, I'll be alright
Soft...
Hey, wouldcha say
I'm on the rebound
Watch me fall
At the speed of sound
Your trigger finger's cocked, and I'm feeling weak
Open wide, I'm paralyzed
We're getting high, but we're still feeling down
Gravity has a way of pinning us to the ground
I'm soft, but I'll be alright
Soft, yeah, I'll be alright
Soft, yeah, I'll be alright
Soft, yeah, I'll be alright
Lonely
I'm just lonely
I'm just lonely

I'm just lonely
