I'll fight
If you want me to fight
I'll laugh
If you want me to laugh
And cancel out the sun
I will I will
You know I surely will

Cause all you need is a pretty song
If you wanna sing, tell me what you wanna sing
And I'll play
Speed it up or slow it down,
if you want we'll change our sound
We'll play, yeah we'll play
Anything that you want
All we want from you is a word or two.

And even though, we don't show
We cast our nets like missionaries
If we sell out, oh well
Our only fan will be changing costumes

And you'll see it's much the same
so sing our songs
And for applause
We'll get up, get up

If you wanna sing, tell me what you wanna sing
And I'll play
Speed it up or slow it down,
if you want we'll change our sound
We'll play, yeah we'll play
Anything that you want
All we want from you is a word or two.

I been worth a ton
and I've been worth
I don't need you need
The words you write
make my heart race and stop
and just quit

Yeah, we'll do anything
that you want.
Yeah yeah, so please don't go and break our hearts
Yeah yeah...

I'll fight
If you want me to fight...
