I don't know what I've done, but  
Something isn't right  
So I've been second guessing you  
Trying to read your mind  
How can I be on your side  
You won't confide in me confide in me  
Come on speak your mind  
Tell me why  
You can't talk to me  
Talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything  
Don't treat me like a stranger  
Let me in

Yeah

If I've been patronizing, I apologize  
I used to be the one you'd call  
For a friends advice  
If I'm the one  
What have I done  
I don't know how you feel you feel about it

If I've let you down  
Tell me now  
You can talk to me  
Talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything  
Don't treat me like a stranger  
Let me in

Cos when things get you down  
And you need someone around  
I'll be there ooh I'll be there, ooh to pick you up  
When it all becomes to much

And you need someone to trust  
Ple-ase let it be me-e-e, can't talk, can't talk yeah

Ooh, talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything  
Don't treat me like a stranger  
Let me in

Can't talk, can't talk

Can't talk, can't talk

Can't talk, can't talk

Can't talk, can't talk

Ooh can't talk

Can't talk
