Just leave oh girl... Your body language says that
If you stuck stuck stuck with me
If it makes you feel better than ever before

I let you go go go away
Coz you hit me to do do do
You try to catch me wrong In everything I said
Said your not mine
Perfectly

And then she says BREAK UP BREAK UP
I feel like I have to MOVE ON MOVE ON
And I got to MAKE UP MAKE UP
Another girl says CHEER UP CHEER UP 2x

I give up to all the things that I had done
Done it so well
And it's not fair for me

We permanently broke
Feels like a thousand miles away from you
In fact you're a the queen of the tales

Back to *

I can't figure out, how could I let
This happened
I prepared
It more than
I did it before

I know you hate
The word sorry
And I hate the break

I'm afraid that you won't
Call me to wake me up Tomorrow
Tomorrow I will be just fine
Tomorrow I will be just

And then she says I feel
Like I have to And I got to

Another girl says
Doo doo doo doo doo doo
