Today's the day, I made up my mind
Be who I am and chase the sunshine
Close my eyes dream of escape
My Imagination saves me
When were together were somthing to see
Right there for each other, aah what we wanna be

[Chorus]

Sometimes I feel like Breaking free!
Lets lift these chains
Lets rock this wave right out the sea
I'm craving the sunlight
The wind in my hair
I'll make my escape
And breathe in the air
I will be Breaking Free

I tap the glass and watch the rain
I count the hours back again
We could be miles away from here
Or we could just dissapear.
When we're together
We're all we can be
Right there for each other, aah
Lost in our dreams, Ohhhh

[Chorus]

Sometimes I feel like Breaking free!
Lets lift these chains
Lets rock this wave right out the sea
I'm craving the sunlight
The wind in my hair
I'll make my escape
And breathe in the air
I will be
I will be
Breaking free

To be with you in our own world
Is all I crave
C'mon lets go!
I made my plans,

So lets escape
I can't wait!
When were together
Were something to see
(Were something to see)
Right there for each other, ahh
Like we will always be

[Chorus]
Sometimes I feel like Breaking free!
Lets lift these chains
Lets rock this wave right out the sea
I'm craving the sunlight
The wind in my hair
I'll make my escape
And breathe in the air
I will be
I will be!
Breaking free
Breaking free
