One of these days  
I could get one of these days  
If I rent one of these days  
You repeat  
(one of these days)  
Maybe this may  
Wasn't it probably rain  
(wasn't there)  
What did you say  
(wasn't there)

(one of these days)  
One of these days  
I should lose  
One of these days  
If i lose one of these days  
Won't you be

(one of these days)  
(i should lose one of these days)  
(if i can lose one of these days)  
One of these (days)  
Choose to forget

So they say 'who was there'  
(Let's keep on going)  
To forgive  
Is to forget  
No fear  
No regrets  
All the above  
Make love

(you made your choices...)

To forgive  
Is to forget  
No fear  
No regret  
All the above  
Make love

(you made your choices...)

To forgive  
Is to forget  
No fear  
No regret  
I'll be  
Above  
Me  
Love

(you made your choices)  
(you made your choices)

(you made your choice to forget)  
(choice to forget)  
(it's not too late, in love)
