MotoLyrics

Be my producer Feed me with meat Naked seducer Of my defeat Be my seducer Make it polite Give me the meat That makes my night

Make me money from your heat This is how we compromise Taking honies from the street This is how we fund the lies

Be my producer Be my producer Be my producer Be my producer

Be my seducer Give me your night Make me your music For their delights Be my seducer

Make it up right One half seducer of my night Be my producer give me the beat One half seducer Of my defeat

Making money Making me

Be my seducer

Make me money from your heat

This is how we compromise Taking honies from the street This is how we fund the lies

Be my producer Give me the beat One half seducer of my defeat

Be my seducer Be my seducer Be my seducer Be my seducer
