This is big time
Right me
I am exploring
Voices, sirens, choices
You've been ignoring
My sight stops at nothing
Is it informing
Life lines, lost lives cut tines
Tack into stories

This is big time
Pirate ship
With a mooring
In your favourite slip
This anchor's recoiling
Mastheads we've lead now you jump without wearing
Champagne new name big time sets in the morning

This is big time

Champagne
New name
Big time

Here is big time
Reel from
Wakes she is splitting
In this cap sized kiss
Rise up to her calling

Could it be she's taking me away to sea
A kiss of leave

A small wave to me
Could it be she's taking me to depths and leagues
Return to me
Not easy to fathom
Could it be explaining where I need to be
Adrift from thee
Escaping these moorings
Could it be explaining what I need to breath
A chance to feel the rocking of mourning

Could it be she's taking me away to sea
A kiss of leave
A small wave to me
Could it be explaining where I need to be
Adrift from thee
Escaping these moorings
Could it be she's taking me to depths and leagues
Return to me
Not easy to fathom
Could it be she's taking me away to sea
