Come as you are, as you were,  
As I want you to be  
As a friend, as a friend, as a old enemy.  
Take your time, hurry up  
The choice is yours, don't be late.  
Take a rest, as a friend, as a old memory  
Memories, memories, memories

Come doused in mud, soaked in bleach  
As I want you to be  
As a friend, as a trend, as a old memory  
Memories, memories, memories

Memories, memories, memories

And I swear that I don't  
And I swear that I don't have a gun  
And I swear that I don't  
Have a gun

Come as you are  
You as you are  
All as you were  
Come as you are...

Memory, memory, memory...

Come as you are  
You as you are  
All as you were  
Come as you are...
