His beat gets under you
Where there's a breath between the two you lose
It finds you stripping off your truths
What will the others think of you

Didn't anybody
Didn't anybody tell you
You're so raw, you're the draw
You're so raw, you're the draw

Didn't anybody tell you
His beat gets under you

Your beat can make you choose
It finds you dripping in their shame
Another slap on your caboose
What will the others think of you

Didn't anybody
Didn't anybody tell you

You're so raw, you're the draw
You're so raw, you're the draw
Didn't anybody tell you
His beat gets under you

Their ratings are making 'nuff shaking

So here's the fantasy
Get off, get off on me
Wasted, wasted energies
Waste me, waste me i don't share
Get off, get off, off on me
I am waster energy
Locked-up in your fantasy

Didn't anybody tell you...

Their ratings are making 'nuff shaking
