Put your things back you don't need me
I ain't working off your no sleep
Take away all my lengthy cares
I've been here too long to be your scare

When your one
One more ain't me
When your one more one won't let you be

Why can't I make you high

Put yourself down
Pick yourself up
Kick your own back
Put yourself down
Pick yourself up

Put yourself down you don't need me
I got off my hands and needs
Kick your own back side
Lose your own dares
You've been up too long to be aware

When your one
One more ain't me
When your one more one won't let you be

Why can't I make you high
Put yourself down
Pick yourself up
Kick your own back
Put yourself down
Pick yourself up

Look at you now your pulse is gone

Ain't no blood running through your song
Last words out were
\\"One more please\\"
It's a shame those words were never for me

When your one

One more ain't me
When your one more one won't let you be

Why can't I make you high

Put yourself down
Pick yourself up
Kick your own back
Put yourself down
Pick yourself up

Put yourself down you don't need me

Pick yourself up
