Drown out their applause  
While turning on the sink  
Burn your confidence  
On low heat  
While tending to their drinks

Suck-up

Lose identity  
Face another day  
Down the hatch again  
Wifey  
They have you all sown  
They had you all sown up  
Why is it so tough  
Wifey

Time's slipped you flaws  
While looking after three  
Loss of compliments will drive you

To where they need to be

Suck-up

Lose identity  
Face another day  
Down the hatch again  
Wifey  
They have you all sown  
They had you all sown up  
Why is it so tough  
Wifey

Catering to you  
Catering to me  
Catering to you  
Catering to me  
Wifey
