Al, do you want a click on this one?  
I don't need no stinkin' click!  
Two, three, four

Some say money is bad for the soul  
Bad for the rock, bad for the roll  
Bad for the heart, bad for the brain  
Bad for damn near everything, oh yeah!

Oh. Hey, it must be good for somethin'  
Come on, pay the rent  
(Yes)

Telephone, telefax, telefuckin' teletrash  
Tell a cop, tell a friend, think we hit the stoney end  
Nothin' left, nothin' right, now they want a bigger bite  
Everybody wants some, everybody wants big money.  
Oh yeah!  
They want big fat money  
That's what I want, big fat money

Too much temptation, 'nuff to kill a generation  
Space station, starvation, premature ejaculation  
This ain't groovy, this ain't funky  
It's on my back but it ain't my monkey, no! Oh yeah  
Gimme some o' that big, big money  
That's what I want, big fat money. Yo!  
Big, big money!

(Guitar Solo)

Ow! Smoke this, eat that, my old lady's gettin' fat  
High rise, high rent, before it's earned it's all been  
spent  
Where's it gonna come from? Who's it gonna go to?  
I ain't beatin', but I'm bein' eaten by money. Oh yeah  
Big big money. Woo!  
Now gimme, gimme, gimme, gimme, gimme!  
Some o' that big money. Oh yeah  
That's what I want

Well all right (Big Money) Oh, big big money (Big

Money)  
Now gimme, gimme, gimme (Big money) some o' that  
big money (Money). Woo!  
That's what I want  
It's all I need  
Gimme big fat money  
Yeah, I gotta wallet full  
Gimme, gimme, gimme, gimme!  
Grab me some a-that big fat money
