Never know how much I love you
Never know how much I care
When you put your arms around me
I give you fever that's so hard to bare

You give me fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Sun lights up the day time
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right

You give me fever
When you kiss me
Fever when you hold me tight
Fever
In the morning
Fever all through the night

Everybodies got the fever
That is something you all know
Fever isn't such a new thing
Fever start long ago

Romeo loves Juliet
Juliet she felt the same
When he put his arms around her
He said Julie baby you're my flame

Now give me fever
When were kissin
Fever with that flame in you
Fever
I'm a fire
Fever yeah I burn for you

Captain smith and pocahontas
Had a very mad affair
When her daddy tried to kill him
She said daddy oh don't you dare

He gives me fever
With his kisses
Fever when he holds me tight
Fever
I'm his misses
Daddy won't you treat him right

Now you listened to my story
Here's the point I have made
Chicks were born to give you fever
Be it fair and have a sense of game

They give you fever
When you kiss them
Fever if you really learned
Fever
Till you sizzlen
But what a lovely way to burn

But what a lovely way to burn
But what a lovely way to burn
But what a lovely way to burn
