(It starts with)

One thing I don't know why,
It doesn't even matter how hard you try,
Keep that in mind I designed this rhyme
To explain in due time,
(All I know),
Time is a valuable thing Watch it fly by as the
pendulum swings,
Watch it count down to the end of the day The clock
ticks life away
It's so unreal,
Didn't look out below Watch the time go right out the
window,
Trying to hold on but didn't even know
Wasted it all just to Watch you go,
I kept everything inside and even though
I tried it all fell apart,
What it meant to me will eventually be a memory of a
time when,

I tried so hard And got so far,
But in the end
It doesn't even matter,
I had to fall To lose it all,
But in the end
It doesn't even matter

One thing,
I don't know why,
It doesn't even matter how hard you try,
Keep that in mind I designed this rhyme
To remind myself how, I tried so hard,
In spite of the way you were mocking me,
Acting like I was part of your property,
Remembering all the times you fought with me,
I'm surprised it got so (far)
Things aren't the way they were before,
You wouldn't even recognize me anymore,
Not that you knew me back then
But it all comes back to me In the end,
You kept everything inside and even though

I tried it all fell apart,
What it meant to me will eventually be a memory of a
time when I tried so hard,
And got so far, But in the end
It doesn't even matter, I had to fall To lose it all,
But in the end It doesn't even matter,

I've put my trust in you,
Pushed as far as I can go,
For all this,
There's only one thing you should know,
I've put my trust in you
Pushed as far as I can go
For all this
There's only one thing you should know I tried so hard
And got so far But in the end
It doesn't even matter I had to fall
To lose it all But in the end
It doesn't even matter
