When our time is up
When our lives are done
Will we say we've had our fun?

Will we make our mark this time?
Will we always say we tried?

Standing on the rooftops everybody scream your heart
out
Standing on the rooftops everybody scream your heart
out
Standing on the rooftops everybody scream your heart
out
This is all we've got now everybody scream your heart
out

All the love I've met
I've had no regrets
If it all ends now
I'm set

Will we make our mark this time?
Will we always say we tried?

Standing on the rooftops everybody scream your heart
out
Standing on the rooftops everybody scream your heart
out
Standing on the rooftops everybody scream your heart
out
This is all we've got now everybody scream your heart
out

Standing on the rooftops, waiting till the bomb drops
This is all we got now, scream until your heart stops
Never gonna regret, watching every sunset
Listen to your heart beat, all the love that we felt

Standing on the rooftops, waiting till the bomb drops
This is all we got now, scream until your heart stops
Never gonna regret, watching every sunset
Listen to your heart beat, all the love that we felt
