[Bonus Track]

A kiss without commitment's
Like a flower without the rain
It only leads to pain
And it fills my heart with emptiness
Your touch without commitment's
Like a calm before the storm
The tears are starting to form in my eyes

When I kissed you I was curious
The child that I was
I never realised I would love you so
And in the magic of the moment
I was swept to the side
And I saw your heart
So small and tender

Physical is fine
But I cannot avoid the pain
I'm like an express train
As I surge towards the mountains
I am certain as I'm livin'
I cannot do this again
We're much too greater friends
To play games

When I kissed you it was
Everything I dreamed it would be
But I never dreamed it would mean so much to me
And our friendship is too valuable to carelessly lose
So today I choose
To really love you

Jessica your heart is
Like a newly budding rose
Expanding as she grows
Your petals have been bruised
But you have so much love to give
And it's so beautiful to see
You're beautiful to me, my friend

And when I kissed you
I believed it wouldn't get in the way
I want to stay your friend and have it fine
And I'm hoping that our God can make great things of
our lives
His love survives
The greatest struggles

Jessica your gate is open, nothing in your way
A friend you'll always stay to me
Whatever else we're gonna be
A friend
You'll always stay to me
