Nicole 16 years old,  
Life on the hope no ball,  
Had a girl the year before that,  
Her mum found out, kicked her out of her flat,  
Now shes living in a hostel lonely,  
You're not really sociable,  
Because they, took her child away, Damn,  
But their was nothing she could say to regain her back,  
The reason for that was because  
she was too young to act as a minder,  
What was goin to find her,  
When she got a little older, A little wiser,  
Until then rest a little on my shoulder,  
As friends we will become closer,  
You will become older, Dis is wot I told her.

I gotta get thru this,  
I gotta get thru this,  
Gotta make it, gotta make it thru,  
Said I?m gonna get thru this,  
I?m gonna get thru this,  
I gotta take, I gotta take my mind of you,  
Give me just a second and then I?ll be all right,  
Show them what a mom I could have been in my heart,  
Give me till tomorrow then I?ll be ok,  
Just another day then I?ll hold you tight,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
Gon gon,  
Gotta help me thru this,

I gotta get thru this,  
I gotta get thru this,  
Gotta make it, gotta make it thru,  
Said I?m gonna get thru this,  
I?m gonna get thru this,  
I gotta take, I gotta take my mind of you,  
Give me just a second and then I?ll be all right,  
Show them what a mom I could have been in my heart,  
Give me till tomorrow then I?ll be ok,

Just another day then I'll hold you tight,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
Gon gon,  
Gotta help me thru this,

If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
Gone gone,  
Gotta get thru this  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
Gone gone,  
Gotta get thru this  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
If only I could get thru this,  
Gone gone,  
Gotta get thru this  
If only I could get thru this,  
If only I could get thru this,
