I'm never shy, but this is different.
I can't explain the way I'm feelin' tonight.
I'm losing control of my heart.
Tell me what can I do to make you happy?
Nothing I ever say seems to come out right.
I'm losing control of my heart

And I wish that I could be another better part of me.
Can't hear what you're thinking.
Maybe if I just let go you'd open up your heart

But I can't read you.
I wish I knew what's going through your mind.
Can't touch you,
Your heart's defending
I get left behind.
I can't reach you.
I wish I knew what's going through you mind.
Can't touch you,
Your heart's defending
I get left behind.

I like you so much I'm actin' stupid
I can't play the game I'm all intense and alive.
I'm losin' control of my heart.
I'm not supposed to be this nervous.
I should play my hand all cool and calm.
I can't breathe.
I'm losing control of my heart.

And I wish that you could see
The other better parts of me.
Feel this fire I'm felling.
Then you'd see me in control,
And baby then you'd know

But I can't read you
I wish I know what's goin'
Through your mind
Can't touch you
Your heart's defending

I get left behind
I can't reach you
I wish i knew what's going
Through your mind
Can't touch you
Your heart's defending
I get left behind
