"James Dean"

Visit "[James Dean](#)" on MotoLyrics.com

I could be James Dean of the music scene,
I could be a big star like the man called Queen,
I could have fly moves like a dance floor dream,
But she can't seem to notice me.
Then what's in worth now.

Could have my teeth flashing, a Brad Pitt smile,
Could be wearing Versace 'cause that's my style,
Could have my hair cut by the extra mile,
But if she can't make it worth my while
Then what's the point now.

I wanna know if you're busy
I wanna know if you're doing anything tonight
I wanna know if you miss me
I wanna know
I wanna know

I wish that i could kiss your lips,
The way that I
I want to baby.
I wish that I could be your man,
I wish that you could be my lady.

I could be sly stone of the family crew
I could be Big Daddy Warbucks and love you too
I could be knocked senseless by what you do
But if it's pain that I'm going through it isn't love now
I made up my own darn mind
I getting no love after all this time
I'm gonna make music 'til my brain is fried
'cause you can't see the man inside
It ain't enough now

I wanna know if you're busy
I wanna know if you're doing anything tonight
I wanna know if you miss me
I wanna know
I wanna know (repeat 2x)

I wish that i could kiss your lips,

The way that I
I want to baby.
I wish that I could be your man,
I wish that you could be my lady.

I wanna know if you're busy
I wanna know if you're doing anything tonight
I wanna know if you miss me
I wanna know
I wanna know (repeat 2x)
