I'm, I'm doing so fine.
I'm spending my time,
Thinking about you and me, baby,
high, together we fly
in love you and I.
No one can deny what they see, baby.

I never felt this way.
You're with me night and day.
Just trust me when I say,
I'll never go away

Like the sweetest melody,
Like a beautiful harmony,
Like the biggest symphony,
That's what you are to me.
Like a dream for eternity,
Like a beautiful history,
Like a meeting with destiny,
That's what you are to me.

Free, I'm finally free.
You gave me the key,
and opened the door to my heart.
Can't you see, that it's meant to be?
You're my destiny,
And we'll never part, cause this love is true

I never felt this way.
For us I'll always pray.
Your kisses make my day.
You know I'll always stay,
in love this way.

Like the sweetest melody,
Like a beautiful harmony,
Like the biggest symphony,
That's what you are to me.
Like a dream for eternity,
Like a beautiful history,
Like a meeting with destiny,

That's what you are to me.

Reach out and I will be there.
I will never leave your heart, I swear
and if the world isn't fair
I'll be by your side I'll always care.
