I left my baby  
Just the other night  
She said something  
And it led to a fight

Begged and I pleaded  
Just for one more chance  
So she told she'd be  
At the Saturday dance

Came into the dance  
And the lights were dim  
Then I saw to my surprise  
That you were dancing with him

I walked up to ask you  
If you thought it was right  
But before you could answer  
He had started a fight

(CHORUS)  
Run, tell the people  
I'm being hurt  
I could fight him alone  
But can't you see  
His friends are too much for me  
Run, tell the people  
I'm nearly dead  
If you do what I ask  
I'll know you're mine  
You didn't mean the things  
That you said

I couldn't believe what  
Was happening to me  
Cause there was people all around  
And I couldn't get free

I punched and I kicked  
I tried as hard as I could  
But his friends made sure  
It didn't do me no good

I knew by now  
I couldn't carry on  
I looked all around  
And saw that you had gone

I hoped and I prayed  
That you'd forgotten him  
That you'd realize  
The trouble I'm in

(CHORUS) 3X to fade
