Help me I fall
Help me over the wall,
Help me give me a hand

Help me my sky is grey
Help me we're all afraid
Help me I fear all you fear
Help me I fall

Help me I'm lost
Help me my lost are off
Help me I knew too much

Help me I don't know why
Help I don't want to die
Help me I fear all you fear
Help me I'm fallin'Â'

Help me-e-e I, help me-e-e I, help me-e-e I, think I'm
dyin'Â'
Help me-e-e I, help me-e-e I, help me-e-e I, think I'm
fallin'Â'

Help me you heard it all,
Help me when I call
Help me I see all you see,
Help me I'm fallin'Â'

Help me-e-e I, help me-e-e I, help me-e-e I, think I'm
dyin'Â'
Help me-e-e I, help me-e-e I, help me-e-e I, think I'm
fallin'Â'
Help me-e-e I think I'm dyin'Â'
Think I fall-a-a-a-all
