I Need an Angel by Daniel Debourg

Ive run out of answers  
Ive run out of time  
Im so confused that Im loosing my mind  
Its gonna take a miracle to help me this time  
Im traveling a road that has not one sign

Heeeelp me have the seed oooh yeah  
Set my soul free please  
Let the bell in my heart ring  
This my cry mmm , this is my plead you see

I need an angel , Im callin an angel  
Send me an angel down

Im carrying a load thats to heavy for me  
Ive no where to go so Im down on my knees  
Im tryin to see the forest , but theres this one tree  
I cant understand why Im sinking so deep

Help me have the seed oh yeah  
Set my soul free please  
Let the bell in my heart ring  
OOOOhh..This my cry mmm , this is my pleaaaaad

I need an angel , Im callin an angel  
Send me an angel down  
(Send it on down)

Oh something inside of me, tellin me the morning will  
come( the morning will come)  
Oh sometimes its hard to face the truth so we run (we  
run)  
God if you care at all please dont let me fall by the  
wayside  
Please be my guide (be my guide), wont you light my  
path ( light my path)

Take me, Shape me, Mold me , Change me, Teach me,  
Fill me, Save me

I need an angel , Im callin an angel  
Send me an angel down  
(Repeat 5X)
