You, you are the most beautiful thing
In this world
And no words can ever kill me like yours
Kill me like yours

... you leave me...

A sorry sorry sorry
As I'll be
Sorry sorry sorry
As I'll be
Sorry sorry sorry
As I'll be

That you've turn into somebody else, somebody else,
Somebody else

You, you are the most beautiful thing
In this world

You, you don't walk-baby you float, you float
You float above everybody else

Mmmm

... you leave me...

A sorry sorry sorry
As I'll be
Sorry sorry sorry
As I'll be
Sorry sorry sorry
As I'll be

That you've turn into somebody else, somebody else,
Somebody else to meee

It's the first words we promised, the first words we
Said

And to look out for each others best
It's the silence that kills me, the words you don't say
Alle What comes Unspoken-I still hear

What comes unspoken-Makes me run away
