"Cherish Every Moment"

And every time when we...
Go through ups and downs...
I always think about...
How we could work it out...
And every time... that you...
Need to say... good bye...
Yes I count the time...
When you come back in my life...
Cuz what ever you say...
What ever you do...
I'll be right here...
No matter what people say...
I'll always be their for you...

[Chourse...]
Cuz I cherish every moment...
Spent with you...
And theirs nothing in this world
That I wont do...
And I promise that I'll
Always make it right...
Every time when you feel down
And start to cry...

Cuz it hurts me when...
Your far away...
I need you right next to me...
Awwe baby... baby...
I just... can't be...
With no one else...
Will you see?
(2x)ill always...
When your hurt...
(2x)it hurts me to...
And I just gotta be...
The only one that's lovin you...
Cuz what ever you say or
What ever you do...
I'll always be right here...
No matter what people say...
I'll always be their for you...

[Chorus...]
Cuz I cherish every moment...
Spent with you...
And there's nothing in this world
That I won't do...
And I promise that I'll
Always make it right...
Every time when you feel down
And start to cry.

(2x)wooh... wooh... wooh... ooh
I just can't help it baby...
Every time you look at me...
Baby I'm lost for words...
Don't know what to say... yeahhh yeahhh
