Tiny Japanese Girl!  
You're my... Tiny Japanese Girl!  
Tiny Japanese Girl!  
Get out my shoebox girl!  
I gotta put my shoes away!  
They're gonna get all scuffed and that!  
Why you in there girl?  
Doesn't even fit ya!  
I mean you're small but you're not a midget, girl!

-Chorus-

I'm tiny like a door mouse  
Short like a bungalow house  
Minute like a pixi  
You can barely even see me!  
I can ride around on a shetland pony and people say:  
I'm far away...  
Well you are quite small.  
But I'm pretty big in Tokyo!

Tiny Japanese Girl when I look back on you, you make  
me feel so tall!  
Even though I'm just five foot two  
Like I've stood on a wall or like a really big dog  
But, It's just that you're small so there's no need for the  
dog  
Tiny Japanese Girl, I find you perfectly sized  
You can hide in small places when you're meaning to  
hide  
But you can't hide from my love cuz it's hunting you  
down  
I know you've got a big heart! I've seen you wheel it  
around!

-Chorus-

I'm tiny like a door mouse  
Short like a bungalow house  
Minute like a pixi  
You can barely even see me!  
I can ride around on a shetland pony and people say:  
I'm far away  
(I'm far away)

But I'm pretty big in Tokyo  
Pretty big in Tokyo  
Pretty big in Tokyo  
I'm pretty big in Tokyo
