The first time that I saw you
I went head over heels
You were the one for me

I just adore you
See, I'm down on my knees
And now we've found each other
I could never leave

Joey, I've fallen in love, oh yeah
Joey, you're all I'll ever need
Joey, I've fallen in love, oh yeah
Joey, you're all I'll ever need
Fallen in love, Joey

(Sometimes when I feel like)
I'm fighting the world
I know you're on my side

They're trying to control me
With their promises now
But we've still got each other
When they try and get us down
(I'll ever need)
Joey, I've fallen in love, yeah
Joey, you're all I'll ever need
Joey, I've fallen in love, yeah
Joey, you're all I'll ever need

You're part of my life
Everyday I need your love more
Ooh, and I'll never give you up
Is it me you're looking for?

Joey, I've fallen in love, oh yeah
Joey, you're all I'll ever need
Joey, I've fallen in love, oh yeah
Joey, you're all I'll ever need

I've fallen in love
I've fallen in love
Joey, you're all I'll ever need

Fallen in love, Joey
All I'll ever need, Joey
Fallen in love, Joey
All I'll ever need
