I don't know what I've done, but
Something isn't right
So I've been second guessing you
Trying to read your mind
How can I be on your side
You won't confide in me confide in me
Come on speak your mind
Tell me why
You can't talk to me
Talk to me
Talk to me
Let me try to understand the way you feel
Ooh, talk to me
I wanna know everything
Don't treat me like a stranger
Let me in

Yeah

If I've been patronizing, I apologize
I used to be the one you'd call
For a friends advice
If I'm the one
What have I done
I don't know how you feel you feel about it

If I've let you down
Tell me now
You can talk to me
Talk to me
Talk to me
Let me try to understand the way you feel
Ooh, talk to me
I wanna know everything
Don't treat me like a stranger
Let me in

Cos when things get you down
And you need someone around
I'll be there ooh I'll be there, ooh to pick you up
When it all becomes to much
And you need someone to trust

Ple-ease let it be me-e-e, can't talk, can't talk yeah

Ooh, talk to me

Talk to me

Let me try to understand the way you feel

Ooh, talk to me

I wanna know everything

Don't treat me like a stranger

Let me in

Can't talk, can't talk

Can't talk, can't talk

Can't talk, can't talk

Can't talk, can't talk

Ooh can't talk

Can't talk
