"God In Me"

It's not the melody that brings me to You
It's not even the words that burn in my heart
It's not the wonderful sounds that cause me to sing
It is knowing You and what You've done in me

You are the song of my life
You are the dance in my feet
You are the voice of my heart
You are God in me

You are the bread of my life
You are the life giving drink
You are the everything
You are God in me, yeah

So I will sing my life a song to remain
And whatever I do it's all for Your fame
Because it's your beautiful self that causes me to sing
About knowing You and what You do in me

You are the song of my life
You are the dance in my feet
You are the voice of my heart
You are God in me

You are the bread of my life
You are the life giving drink
You are the everything
You are God in me

Yeah, me in You and You in me
I will never stop knowing the joy that You bring
And me in You and You in me
I will never stop tasting, tasting Your goodness
Oh, Your goodness

Oh, You are the song of my life
You are the dance in my feet
You are the voice of my heart
You are God in me

Oh, You are the bread of my life
You are the life giving drink yeah
You are the everything
You are God in me, yeah, yeah, yeah
