I'm not coming down this time  
The truth is you were hard to find  
And it's time you know the truth  
'Cause your kind is living proof

That sooner or later I'll be found  
Sooner or later coming down  
Sooner or later we'll begin  
Out of nothingness and back again

Sooner or later I will fall  
Sooner or later, after all  
Sooner or later we will meet  
As a pair of strangers on the street

I surrender gracefully  
As every wall of mine you breach  
And it's time you know the truth  
'Cause your kind is living proof

That sooner or later  
I'll speak with my eyes  
Making my way through this paradise

And sooner or later  
I won't have to fight  
Give into you  
'Cause you feel so right
