I'm just a girl,
I'm innocent,
Come take my hand,
I'll show you the world on my own.

You're just a boy,
Who makes me weak,
Who takes my sleep,
I need you to dance the night away,

(I can't stand it)

I can't stand it anymore now baby,
The music makes me feel so crazy,
So come on and take my hand,
And I'll show you the way to dance.

And again, and again,
I need that feeling,
Cos baby I know I'm not dreaming,
So come on and take my hand,
And I'll show you the promise land.

(I can't stand it)
