I had lost my mind.  
I lost my head for a while was off my rocker outta line,  
outta wack.  
See I had this tiny crack in my head  
That slowly split open and my brain snoozed out,  
Lyn' on the sidewalk and I didn't even know it.  
I had lost my mind.

Why, i was sitting in the basement when I first realized  
it was gone.  
Got I my car rushed right over to the lost and found.  
I said "pardon me but I seem to have lost my mind."  
She said "Well can you identify it please?"  
I said "Why sure its a cute little bugger  
About yea big a little warped from the rain"  
She said "Well then sir this must be your brain"  
I said "Thank you ma'am I'm always losin' that dang  
thing."

I had lost my mind.
