Oh babe, you got what it takes, oh I swear
And you are dying for nothing,
Oh babe, time waits for no one, don't care
And you are dying for nothing
And when you think my heart is true
Boom boom bang, oh i''s beating for you
Cause I know I'd die for you
It'strue, true,true

And I swear
You are the love of my life
Love makes me strong,
I send a message to your mailbox
You are the love of my life
We can't go wrong,
I send a message to your mailbox

Oh babe, you can't beat the best, can't you see
And you are dying for nothing

Oh babe, come and take the rest of me
And you are dying for nothing
Oh you can't love a memory
Boom boom bang, oh come take me
Cause I know I'd die for you
Its true, true, true

And I swear,
You are the love of my life
Love makes me strong,
I send a message to your mailbox
You are the love of my life We can''t go wrong
I send a message to your mailbox

Na, na, na, na, na, na, na
I love you, I miss you
Na, na, na, na, na, na, na
I need you, I miss you
