Hallo liebe Zuschauer von Deutschland sucht den Superstar - hier kommt der Supermann

Oh I saw you once on a Saturday night Oh I was so strong, in the laser light But I saw your smile And I saw your face Oh baby baby baby baby

When I looked at you in the smokey light Oh I wasnÂ't sure, what is wrong or right But you smiled to me, and you broke my heart Oh baby baby baby baby

I tell you: IÂ'm your superman forever I swear, weÂ'll always be together I tell you, tell you baby, that itÂ's love I tell you: IÂ'm your superman forever Oh please, never say never Tell me, tell me baby, you canÂ't get enough

Positve Energien in aller Welt... ok

Oh I took my bike, and we went home And you said goodbye and I felt alone But I had your number, and I called you

Oh baby baby baby baby and now IÂ'm waiting, that youÂ'll call me Cause baby youÂ're my destiny I need your smile, you broke my heart Oh baby baby baby baby

I tell you: IÂ'm your superman forever I swear, weÂ'll always be together I tell you, tell you baby, that itÂ's love I tell you: IÂ'm your superman forever Oh please, never say never Tell me, tell me baby, you canÂ't get enough

So Jetzt hĶrt ihr mir alle mal zu! Ich treff alle TĶne

das das gleich mal klar ist!

Und ich bin nicht Kermit der Frosch sondern Daniel Küblböck aus Eggenfelden!

lÂ'm your superman forever I swear, weÂ'll always be together I tell you, tell you baby, that itÂ's love, oh... That itÂ's love, oh... That itÂ's love, oh baby...
