I cried myself to sleep so many nights  
My bed was slowly drifting out to the sea  
Looking for that lucky way  
Feeling small and trying to be brave

Why did it hurt  
Life was so absurd  
Looking back on teenage tears  
On broken hearts and feeling weird  
Teenage fears in faked disguise  
We hid the truth behind our lies  
Looking back on my past  
Teenage tears Â... DonÂ´t dry that fast

Some say there never is a better age  
That is strange Â´cause IÂ´m not liking me  
Things are never what they seem  
We spend a lifetime going through our tears

Why did it hurt  
Life was so absurd

Looking back on teenage tears  
On broken hearts and feeling weird  
Teenage fears in faked disguise  
We hid the truth behind our lies  
Looking back on my past  
Teenage tears Â... DonÂ´t dry that fast

If anyoneÂ´s laughing  
Laugh a little louder  
If you hear them talking  
Just keep right on walking  
'cause teenage tears fall in heaven and hell  
Take it from me Â... IÂ´ve been there

Looking back on teenage tears  
On broken hearts and feeling weird  
Teenage fears in fact disguise  
We hid the truth behind our lies  
Looking back on my past  
Teenage tears Â... DonÂ´t dry that fast
