Whoa, yeah

I don't care what they all may think of me
And I don't care if they all disagree
I'm gonna stay true to the words
My mama taught me
And I'll carry them deep in my soul

Black is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guide

Mama said always try
With every choice
You make in your life

Well, I know when you
Know what's right
Just follow, follow your heart
Follow your heart

Sometimes I want to run and hide
And just deny that voice inside
But it's never under oath
When you're standing
In my life of the truth
Nothing can get to you

Black is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guide

Whoo, hey, yeah

I don't care what they all
May think of me and I don't care
If they all may disagree
I'm gonna stay true to the words
My mama taught me
And I'll carry them deep in my soul

Black is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guide

Black is black, white is white
Wrong is wrong and right is right
Every moment compromise
Let your conscience be your guide

Black is black
White is white
