I heard the big city never sleeps
Hear they roll up the streets around 10 o'clock
On the other side of River Bridge
There's a spot on Powell Ridge where the asphalt stops

Sometimes when the sky is clear
We slip away and disappear

[Chorus:]

Layin' out on the hood of the car
Spellin' our names by connecting the stars
Love, runnin' as deep as the creek runs clear
You got heaven on earth down here

Sometimes I hear from an old friend
I hadn't seen since I don't know when
From out of the blue
We'll laugh and shed some tears
Catch up on the past few years in a minute or two

I know it's hard for you to believe
But there's no place, I'd rather be

[Chorus:]

Layin' out on the hood of the car
Spellin' our names by connecting the stars
Love, runnin' as deep as the creek runs clear
You got heaven on earth down here

Why be in a hurry
No need to watch the clock
Time moves so slow down here you can almost feel it
start

Layin' out on the hood of the car
Spellin' our names by connecting the stars
Love, runnin' as deep as the creek runs clear

[Chorus:]

Layin' out on the hood of the car
Spellin' our names by connecting the stars
Love, runnin' as deep as the creek runs clear
You got heaven on earth down here

You got heaven on earth down here
