As I lay down in my bed and try to sleep
Turn off the lights, I close my eyes
And pray the Lord my soul to keep
Safe from harm
Make me forget the day we met
And when I fell in love, with you
I toss and turn all night
and in my head the same old song

I can't sleep
I don't wanna spend another night, without you
I just can't sleep
Girl I never knew what life would be, without you

Do you remember how we used to talk for hours?
We laughed all night, stayed up 'til three
Listening to some jazzy music
Like Chet Baker
I can't forget the day we met
And why I fell in love with you
I toss and turn all night
and in my head the same old song

I can't sleep...

I read somewhere love conquers all
Winter, summer, spring and fall
But here we are now worlds apart
Although you're gone my life moves on

But I can't sleep!;
